

Want free support for you and your little one? Enroll in our Home Visiting Program!

Are you pregnant or raising a young child? CCRC's Home Visiting program connects you with a supportive educator who's here to walk alongside you. Whether you are preparing for a new baby or navigating early parenthood, we are here to cheer you on, share helpful tools, and celebrate your child's development every step of the way.

As participants, you will receive:

- Visits at home, CCRC office, or virtually with a caring professional who is here for you and your family.
- Help finding things like diapers, wipes, food, and other resources for your family.
- Free health and developmental screenings to see how your baby is growing.
- Fun activities to help your baby grow, learn, and get ready for school.
- Support for you too! We can check in on how you're doing and connect you to support for your well-being, parenting support, or other support groups.

Available in Los Angeles and San Bernardino Counties in English and Spanish!

Eligibility

Los Angeles County: Pregnant and/or caring for a child up to 3 years old.
